

**Southern Nevada Health District**  
**Legislative Priorities**  
*2015 Legislative Session*

- I. Keep the Southern Nevada Health District intact and positioned to best serve the residents and visitors of Clark County.
- II. Support legislative initiatives that would provide funding mechanisms to sustain public health programs and infrastructure.
- III. Support legislation that would provide further protections for the public and employees from the harmful effects of secondhand smoke and would limit access of electronic cigarettes to minors.
