*\*Note: Because one activity can influence several impact areas, the total number of activities will not necessarily match the number of impact areas reflected above.*

### A Snapshot: Nevada MRC Unit Activities

- In response to the October 1, 2017, mass casualty incident at the Route 91 Harvest festival in Las Vegas, **MRC of Southern Nevada (Las Vegas, NV)** volunteers provided psychological first aid and other support services at a family assistance center, as well as staffed a call center set up to provide referrals and support information to those affected.
- The **MRC of Southern Nevada (Las Vegas, NV)** assisted the Southern Nevada Health District in receiving the Metropolitan Medical Response System (MMRS) stockpile of antibiotics and repackaging the medication into individual courses.
- **Western Nevada MRC (Carson City, NV)** volunteers partnered with local students to create pediatric comfort kits for children who may need to stay at a shelter during an emergency.
- Volunteers with the **MRC Washoe County (Reno, NV)** attended an American Red Cross shelter training session.
- **Multiple Nevada MRC units** participated in access and functional needs support team training, which covered how to assist people with access and functional needs at points of dispensing (PODs), shelters, and family assistance centers.
