Re:	Jacobson Elementary School SRTS Walk Audit

Summary: On April 3, 2025 the City of Las Vegas and CCSD SRTS performed a walk audit at Jacobson Elementary School to assess traffic operations and infrastructure conditions during school bell times. It was observed that students are released on the south end of Roland Wiley Rd and Captains Hill Rd, and are mostly picked up in the adjacent area. Five u-turns were observed on Captains Hill Rd during drop-off. Infrastructure deficiencies were identified off-site (within public right of way).
