

## COVID-19 Vaccine Snapshot

### Clark County, Nevada

**General Notes:** This snapshot provides data managed by the Nevada Department of Health and Human Services, Division of Public and Behavioral Health, Immunization Program for Clark County, NV, and assessed by the Southern Nevada Health District's Office of Epidemiology and Disease Surveillance. Due to delays in processing and reporting, data from the most recent date are less complete than data from older dates. For the Johnson & Johnson vaccine, initiation equates to completion. Population estimates are calculated using U.S. Census Bureau; American Community Survey, 2019 American Community Survey 5-year estimates for Clark County. Population data is based on estimates and do not include transient individuals; consequently, the percentage of the population that is vaccinated is an approximation. Race is based upon self-identification and individuals who identify as Hispanic may be of any race. The COVID-19 vaccines are not currently authorized for persons under the age of 12 years (Pfizer) or under the age of 18 (Moderna, Johnson & Johnson). Data for the total numbers of vaccines administered in Clark County includes total doses reported by the Veterans Affairs (VA) and Nellis Air Force Base. The VA provides data weekly. **Data is considered preliminary and subject to change.** Data was last received on 8/11/2021.

### Total Number of Vaccine Doses Administered by Manufacturer (Clark County Cumulative)

Manufacturer	Total
Johnson & Johnson	102,640
Moderna	698,751
Pfizer-BioNTech	1,417,595
	2,218,986

*Note: These data include total doses reported by the VA & Nellis Air Force Base.*

### Total Number of Vaccine Doses - Initiated and Completed (Clark County Cumulative)

Manufacturer	Vaccination Status	
	Initiated	Completed
Johnson & Johnson	102,640	102,640
Moderna	377,239	321,512
Pfizer-BioNTech	813,585	604,010

*Note: These data include total doses reported by the VA & Nellis Air Force Base.*

### Current Inventory On-Hand at SNHD

Vaccine	1 <sup>st</sup> Dose	2 <sup>nd</sup> Dose	Overall
Johnson & Johnson	110	NA	110
Pfizer-BioNTech	60	450	510
Moderna	2,230	1,650	3,880
			4,500

**Data is considered preliminary and subject to change.** Report prepared by the Office of Epidemiology and Disease Surveillance.

### Doses Discarded (Cumulative)\*

Manufacturer	Previous Snapshot	Total Doses*
Moderna	971	1,236
Pfizer-BioNTech	2,412	2,476
Johnson & Johnson	669	921

\*Please note that vaccines discarded may reflect vaccine doses lost during training purposes, expiration and/or contamination. These numbers reflect the cumulative doses discarded by manufacturer from December 14, 2020 to present.

### Total Number of Vaccinations Administered by Day (Clark County Cumulative)

Data is considered preliminary and subject to change. Report prepared by the Office of Epidemiology and Disease Surveillance.

**Characteristics (Clark County Cumulative - Initiated) <sup>†</sup>**

<b>Race &amp; Ethnicity</b>	<b>Count</b>	<b>Est. Population</b>	<b>Percent Population</b>
