

## COVID-19 Vaccine Snapshot

### Clark County, Nevada

General Notes: This snapshot provides data managed by the Nevada Department of Health and Human Services, Division of Public and Behavioral Health, Immunization Program for Clark County, NV, and assessed by the Southern Nevada Health District’s Office of Epidemiology and Disease Surveillance. Due to delays in processing and reporting, data from the most recent date are less complete than data from older dates. For the Johnson & Johnson vaccine, initiation equates to completion. Population estimates are calculated using U.S. Census Bureau; American Community Survey, 2019 American Community Survey 5-year estimates for Clark County. **Data is preliminary and subject to change.** Data was last received on 03/31/2021.

#### Total Number of Vaccine Doses Administered by Manufacturer

Manufacturer	Total
Johnson & Johnson	21,877
Moderna	347,301
Pfizer-BioNTech	577,361
	946,539

#### Total Number of Vaccine Doses - Initiated and Completed

Manufacturer	<u>Vaccination Status</u>	
	Initiated	Completed
Johnson & Johnson	21,877	21,877
Moderna	228,063	119,238
