Southern Nevada Community Health Center

Governing Board Meeting

April 18, 2023

- Updates to SNHD Billing Fee Schedule 2023
- Presented by: Donnie (DJ) Whitaker, CFO

eting 2023

Billing Fee Schedule Review

- The billing fee schedule is reviewed annually to add new fees or adjust existing fees.
- Annual review of fees allows for changes on a consistent basis to stay aligned with the local medical community. These regular fee changes position SNHD for the potential benefit of increased reimbursement from contracted insurances and Medicare.
- Uninsured patients will see minimal, or no impact based on the availability of the sliding fee discount.

Billing Fee Review Methodology

- Compare all fees currently utilized in SNHD operations to fees established in the Clark County local healthcare community (Source: The Physician Fees Report 2023)
- Identify fees lower than 50th percentile of reported fees for further review. Add new fees anticipated to be utilized in 2023.
- Propose fee changes based on comparison of current fees to 50th percentile of reported fees and Medicare reimbursement rate.
- Proposed changes to individual fees are included in Exhibit A (85 fees). All other fees on the billing fee schedule remain the same.

REFERENCES

- The complete SNHD billing fee schedule is included in the Informational Section of the Southern Nevada Community Health Center Governing Board meeting agenda for April 18, 2023.
