I. PURPOSE

To ensure 340B drugs are dispensed/administered/prescribed to eligible patients of the Southern Nevada Community Health Center (SNCHC), a Federally Qualified Health Center (FQHC), operating a co-applicant health center at the Southern Nevada Health District (SNHD). SNCHC and SNHD are covered entities under the 340B program

II. SCOPE

FQHC and Financial Services

III. POLICY

Per the Final Notice Regarding Section 602 of the Veterans Health Care Act of 1992 Patient and Entity Eligibility, 340B drugs are to be provided only to individuals eligible to receive 340B drugs from covered entities.

IV. PROCEDURE

Note: Covered entities need to ensure that the following 340B eligibility determination filters are implemented:

- A. SNCHC validates patient registration and service at or from one of the following locations.
 1. 280 S DECATUR BLVD LAS VEGAS NV 89107-2936
 2. 2830 E FREMONT ST LAS VEGAS NV 89104-2206
- B. SNCHC validates patient outpatient status at the time the medication is dispensed/administered or prescribed at SNHD or a location listed on SNHD's Health Resources and Services Administration (HRSA) 340B Database.
- C. SNCHC maintains medical records for established patients in SNHD's electronic health record (EHR) system.
- D. SNCHC verifies the provider/prescriber is employed by, under contractual or other arrangements with, and the individual receives a health care service (within the scope of grant/designation for which 340B status was conferred) from this professional such that the responsibility for care remains with SNHD.
 1. Eligible providers document the services provided in SNHD's EHR.
 2. A list of eligible providers is maintained at each clinic location and the pharmacy.
- E. SNCHC determines each patient's Medicaid status prior to billing Medicaid for services as specified in the 340B Duplicate Discounts policy.
