MESSAGE FROM THE EDITOR. 1
LETTER TO THE EDITOR 7
NCHS DATALINE. 97

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION

The following Statement of Ownership, Management, and Circulation is provided in accordance with the requirements as contained in 39 U.S. Code 3685: *Public Health Reports* (ISSN 0033-354) is published bimonthly (6 issues per year) by the Association of Schools and Programs of Public Health, a nonprofit organization at 1900 M St. NW, Ste. 710, Washington, DC 20036. The Acting Editor is Mary Beth Bigley, Office of the Surgeon General, Humphrey's Building, Ste. 701H, 200 Independence Ave. SW, Washington, DC 20201. Owner is the U.S. Department of Health and Human Services, Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 14250-7954. There are no known bondholders, mortgagees, or other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities. The purpose, function, and nonprofit status of this organization and the exempt status for federal income tax purposes have not changed during the preceding 12 months. The annual subscription price for printed *Public Health Reports* is \$167 for institutions, \$90 for individuals, and \$50 for students. During the preceding 12 months, the average number of copies printed for each issue was 901; the average paid circulation was 7,845; and the average free distribution was 2,820. Corresponding figures for the last issue before filing: total number of copies printed was 846; total paid circulation was 7,672; and the free distribution was 2,623. Average percent paid was 94%; actual percent paid was 94%.

I certify that the statements made by me above are correct and complete.

Allison Foster
Deputy Executive Director
Association of Schools and Programs of Public Health
(This statement is for 2014.)

Subscription, Permission, and Copyright Information

Subscription is on a yearly basis. The annual rates are US \$50 for students (print only), US \$150 for individuals (print and online), US \$90 for individuals (online or print only), and US \$167 for institutions (print only). Pricing information for online institution subscriptions is available at <http://www.publichealthreports.org>. An international shipping charge of US \$50 will apply to subscriptions outside of North America. Single issues are available for US \$30 (PDF or limited quality of print available). All prices include postage. Individual rates are only applicable when a subscription is for individual use. All subscriptions, single issue orders, changes of address, inquiries, and claims for missing issues should be sent to: *Public Health Reports*, c/o ASPPH, 1900 M St. NW, Ste. 710, Washington, DC 20036; tel. 877-478-2468, 202-296-1099; e-mail <support@publichealthreports.org>.

Display, Classified, and Recruitment Advertising, Sponsorships, Supplements, and Reprint inquiries should be addressed to: *Public Health Reports*, c/o ASPPH, 1900 M St. NW, Ste. 710, Washington, DC 20036; tel. 877-478-2468, 202-296-1099; e-mail <support@publichealthreports.org>.

Requests for Permissions, Reprints, and Photocopies: All rights reserved; no part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without prior written permission of:

Public Health Reports, c/o ASPPH, 1900 M St. NW, Ste. 710, Washington, DC 20036; tel. 877-478-2468, 202-296-1099; e-mail <support@publichealthreports.org>.

It is a condition of publication in the Journal that authors assign copyright to the Association of Schools and Programs of Public Health (ASPPH). This ensures that requests from third parties to reproduce articles are handled efficiently and consistently and will also allow the article to be as widely disseminated as possible. Although assigning copyright, authors may use their own materials in other publications provided that *Public Health Reports* is acknowledged as the original place of publication.

Material published in this Journal may be used, modified, reproduced, and distributed by the U.S. government for government purposes.

Public Health Reports is printed on acid-free paper that meets the minimum requirements of ANSI Standard Z39.48-1984 (Permanence of Paper).
