B. **District Health Officer Succession Planning and Recruitment Next Steps**

The Committee discussed determining whether three or five candidates should be selected to be presented to the Board of Health. The Committee agreed that a minimum of three and a maximum of five candidates would be selected after all candidates have been heard today. After discussion, the following motion was made:

*A motion was made by Member Black seconded by Member Diaz and carried unanimously to approve a range of 3-5 candidates and determine who they are at the end of all 11 candidates being heard today.*

The Committee further discussed the scoring method to be used for the candidates. Amy Hagan, Director of Human Resources and Organizational Performance, provided the Committee with four options for ranking the candidates by providing (i) a pass/fail after each candidate, (ii) a pass/fail after the morning session and the afternoon session, (iii) a pass/fail after hearing all 11 candidates, or (iv) the top 1-3 or 1-5 candidates to proceed to the next round. The Committee agreed to wait until all 11 candidates have been heard prior to providing any ranking. The Committee further agreed, as opposed to a ‘pass/fail’ ranking, to simply name the candidates they wish to proceed to the next round. Ms. Hagan will tabulate each Committee member’s scoring to determine the highest scoring candidates. After discussion, the following motion was made:

*A motion was made by Member Black seconded by Member Segerblom and carried unanimously for each Committee member to independently listen to all 11 candidates and make notes. After all the 11 candidates have been heard, each Committee member will provide a minimum of 3 and a maximum of 5 candidates that they would like to see move to the next round. Staff will tabulate the scoring to determine the top 3-5 candidates that will be invited to proceed in the recruitment process.*

Upon further discussion, the Committee confirmed that the ranking of each candidate would be based on their resume and interview.
