ACKNOWLEDGEMENT			
Nevada Revised Statute 446.930 requires that properly prepared plans and specifications be submitted to the Health Authority for review and approval when construction or remodeling of food and drink establishments is anticipated, and prior to the start of such work. Applications submitted for establishments after construction has begun or greater than 30 days after taking over ownership will be charged late fees as provided in the EH Fee Schedule .			
I acknowledge that I have answered all questions honestly, accurately, and completely and that I have read and understand the General Information listed above. I will comply with SNHD REGULATIONS and allow the HEALTH AUTHORITY unimpeded access to the establishment and to records as required.

Electronic Submissions (Preferred)

- Applications may be submitted electronically, without an appointment, to foodrev@snhd.org
- If you are submitting a large file and would like an upload link, please call (702) 759-1258 to request one.

In-Person Submissions

If you are unable to submit your application electronically, you may schedule an appointment by calling (702) 759-1258.

Review and Invoice

The application will be reviewed to verify that all required documents have been received as specified in the *Minimum Requirements for Submission* Document (pg. 3). Once verified, a plan review will be scheduled if the machine is a new installation and an invoice for the health permit will be sent to the applicant. After the invoice is paid, the assigned inspector will schedule an inspection.

Payment of Fees

- Plan Review and Annual Health Permit fees must be paid upon receipt of the invoice.
- Plan Review Fees are not refundable.
- Fees may be paid online: www.snhd.info/eh/payment
- The Fee Schedule may be found on our website: www.snhd.info/permits-regulations
- Forms of payment accepted: Cash, Credit Cards, Business Checks (no starter checks), and Money Orders.

Final Permitting Inspection

To pass the inspection all equipment must be installed and operational.

Inspection Cancellations

Inspection cancellations must be made prior to the inspector's arrival at the facility to avoid a missed appointment fee. If the establishment does not pass a scheduled inspection, a re-inspection fee for each permit will be assessed. All fees must be paid prior to scheduling any field appointments.

Other Information

- Equipment and facilities are expected to be in good condition, maintained, repaired or replaced. New operators are expected to meet the requirements of the most current regulation.
- If the vending operation was taken over by a new owner and the equipment is like for like, the new machine may remain operational during the permitting process unless the inspector determines that it is unsafe to do so.
- Packaged food vending machines that are unmanned food operations are not required to have a handwashing sink, mop sink, or restroom associated with them.
- I, the undersigned, as a representative of the permit holder/applicant, have read, understand, and agree to be held to the conditions and responsibilities as provided in this document.
