INSTRUCTIONS FOR PRODUCT REVIEW APPLICATION

All submissions must be made electronically to septics@snhd.org and all fees must be paid prior to review by staff. Failure to submit plans electronically or failure to provide the minimum required documentation may result in delays.

Minimum Application Requirements

- A completed **Product Review Application** signed by an individual authorized to represent the product manufacturer in the application process.
- Product Description and technical information including:
 - Dimension drawings;
 - Materials and characteristics;
 - Component design specifications;
 - Volumes, design capacity, and flow assumptions and calculations; and
- Sitting and installation requirements;
- Product performance information;
- Detailed description, procedure, and schedule of routine service and maintenance;
- A report describing in detail the test procedures and data confirming the performance and properties of the product claimed by the manufacturer;
- Copies of the manufacturer’s literature, including:
 - Sales and promotion; and
 - Design and installation, operation and maintenance, and owner instructions; and
- Identification of information subject to protection from disclosure and trade secrets, if any.
- **Fees:** A non-refundable \$1205 product review fee.
