

April 2, 2020

To whom it may concern,

Pursuant to the Declaration of Emergency Directive 011 dated 4/01/2020, sections 8 and 9, the Southern Nevada Health District Health District Office of Emergency Medical Services assigns Dr. Christian Young as EMS Medical Director for the purpose of directing the Crisis Standards of Care operations for the COVID-19 response. Specific responsibilities are included in the Emergency Medical Services Chapter of the “Crisis Standards of Care for COVID-19” document that was authorized for review and approval by this directive.

Dr. Young currently holds the position of EMS Medical Director for the Southern Nevada Health District. While Dr. Young will be responsible for carrying out the tasks stipulated in the emergency directive, a unified team approach to EMS operations will remain in effect. Dr. Young may request colleagues to assist him in managing this crisis as he sees fit.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads 'John Hammond'. The signature is written in a cursive style and is positioned above the typed name and title.

John Hammond
Manager
Southern Nevada Health District
Office of Emergency Medical Services & Trauma System
