CALL TO ORDER AND ROLL CALL

The Drug/Device/Protocol (DDP) Committee convened in the Southern Nevada Health District Red Rock Conference Room on Wednesday, October 7, 2026. Chair Michael Barnum, MD, called the meeting to order at 9:08 a.m. and stated the Affidavit of Posting was posted in accordance with the Nevada Open Meeting Law. After roll call was held, Dr. Barnum noted that a quorum was present.

I. DIRECTIONS FOR PUBLIC ACCESS TO MEETINGS

Members of the public may attend and participate in the Drug, Device, and Protocol Committee meeting over the telephone by calling (702) 907-7151 and entering access code 988 231 514#. To provide public comment over the telephone, please press *5 during the comment period and wait to be called on. To provide public comment over Teams please click on the hand icon to raise your hand during the comment period and wait to be called on.

II. FIRST PUBLIC COMMENT

A period devoted to comments by the general public about those items appearing on the agenda. Comments will be limited to two (2) minutes per speaker. If any member of the Committee wishes to extend the length of a presentation, this may be done by the Chair or the Committee by majority vote.

Members of the public stepped forward to provide comments on scheduled agenda items. It became apparent that due to technical issues, members of the public online were unable to hear comments or participate in the meeting. Chair Barnum and OEMSTS staff made the decision to cancel the meeting and reconvene at a later date and time once the technical issues were addressed and resolved. The meeting was adjourned at 9:14 a.m.
