All Board members joined the meeting by teleconference and the roll call was administered by Laura Palmer, EMSTS Supervisor, who noted that a quorum was present.

I. FIRST PUBLIC COMMENT

Members of the public are allowed to speak on Action items after the Board’s discussion and prior to their vote. Each speaker will be given five (5) minutes to address the Board on the pending topic. In those situations where large groups of people desire to address the Board on the same matter, the Chair may request that those groups select only one or two speakers from the group to address the Board on behalf of the group. Once the action item is closed, no additional public comment will be accepted. Dr. Barnum asked if anyone wished to address the Board pertaining to items listed on the Agenda. Seeing no one, he closed the Public Comment portion of the meeting.
