

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that a Public Meeting to consider the ***Business Impact Statement (BIS)*** for the proposed 2025 Individual Sewage Disposal Systems and Liquid Waste Management Regulations will be held before the Southern Nevada District Board of Health (BOH) on Thursday, August 28, 2025 at 9:00 a.m. in the Red Rock Conference Room at the Southern Nevada Health District (SNHD) Public Health Center located at 280 South Decatur Boulevard, Las Vegas, Nevada and/or virtually at the same date and time, pursuant to NRS 239.090.

A Public Hearing to review and approve the proposed 2025 Individual Sewage Disposal Systems and Liquid Waste Management Regulations, including an ISDS Operating Permit Fee is expected to be held before the BOH on Thursday, October 23, 2025, at 9:00 a.m. in the Red Rock Conference Room at the SNHD Public Health Center located at 280 South Decatur Boulevard, Las Vegas, Nevada and/or virtually at the same date and time.

A copy of the Business Impact Statement is available for review at 280 South Decatur Boulevard and on the SNHD website at <https://www.southernnevadahealthdistrict.org/permist-and-regulations/public-accommodations/>. Questions may be directed to SNHD's Environmental Health Division at (702) 759-0661 or to septics@snhd.org.
