Q1-1	01/16/2025 12:11 PM	One of the biggest barriers to implementing CM is the limit on monetary incentives to patients who are enrolled in health plans or programs that are funded by federal or state dollars. What are the monetary incentive maximums for individuals who receive state-funded health care or services in Nevada?	<i>SNHD does not have this information readily available. Proposers that are interested in including this information in their proposed education and technical assistance may want to research or reach out to the State of Nevada for this information.</i>
