

SNHD-22RFP006 ODTA Custom Van
REVISED Addendum #1 - Questions and Answers
REVISED Issued 04/12/2022
Page 1 of 1

Question Number	Date Received	Question	Answer
MSV-1	04/01/2022 12:02 PM	In lieu of the requested Mercedes Sprinter 144" wheelbase, high roof, 4x4, will the following alternative chassis be considered? - Ford Transit 148" wheelbase, high roof, AWD - Mercedes Sprinter 170" wheelbase extended, high roof, 4x4	<i>REVISED</i> : To be considered, a proposed "equivalent" vehicle <i>may be 4-wheel drive (4WD) or all wheel drive (AWD)</i> and must not have a wheelbase more than 150".
MSV-2	04/01/2022 12:02 PM	In lieu of a 3,000-watt generator will the following PTO and electrical specifications be considered: A 4.5kw PTO generator will be installed utilizing an additional alternator connected to the vehicle engine. This will provide 120vAC power to the distribution panel, while the vehicle engine is running.	The Health District will consider the proposed alternative to this specification.
MSV-3	04/01/2022 12:02 PM	In lieu of a bench seat with two seat belts, will two (2) Freedman seats with integrated shoulder belts be considered?	The Health District will not consider the proposed alternative to this specification.
MSV-4	04/01/2022 12:02 PM	In lieu of velcro securement for rolling chairs will eye-hooks and bungee securement be considered?	The Health District will consider the proposed alternative to this specification.
MSV-5	04/01/2022 12:02 PM	In lieu of a wall rack storage system, will d-rings and ratchet strap securements be considered for the securement of county-provided folding tables, chairs, and other bulk items?	The Health District will not consider the proposed alternative to this specification.
MSV-6	04/01/2022 12:02 PM	Will the county consider alternative warranty packages?	Proposers may state an exception to this RFP specification and propose an alternative; however, the Health District reserves the right to accept or reject any proposed alternative.
